# Our Story of God's Grace

Listen to our story [here](#).

On Saturday, 16 May, we hosted a special evening focused on sharing stories of God's grace and our church plant's journey. It was a deeply encouraging time of testimony, fellowship, and storytelling. Members of our core team, Lauren, Sandisile, and Teena, shared honestly about how they joined the church, the encouragement they've experienced, and also some of the real challenges involved in establishing a new church and genuine Christian community.

“Our story is the story of God and His love for His creation and the people He calls His own.”

# David, Ongie & Alayna

Ongie and I also shared our story: from our beginnings on the Cape Flats, campus ministry, to planting a church in Cape Town, and now to God leading us to Stellenbosch. It was a reminder of the Lord's faithfulness through every season.

“God’s story is the grand story that gives context to, and makes sense of, every other story we find ourselves in.”

# RUF Stellenbosch

The campus ministry of Oak Valley Presbyterian Church

Our campus minister, Hunter Quinn, and Chimwemwe shared about God's grace at work on the university campus and the steady progress being made to establish RUF Stellenbosch. 15 to 20 students regularly meet for Bible study on Wednesdays. A number of those students have already joined our church. Some have invited their parents to church as well. We are grateful for the doors the Lord continues to open among students.

# Thanksgiving & Prayer

## Thanksgiving

We were encouraged that so many of our friends joined us for the evening, along with several people attending for the very first time. Then, the following Sunday, we had at least six additional new visitors join us who had not attended the Saturday event. We continue to see God gently drawing new people into the life of the church. A major highlight was hearing stories from our congregation members who felt encouraged and reminded anew of God's goodness over the last two years in the life of our church.

Thank you for praying, giving, and standing with us. Your partnership makes moments like these possible.

## Prayer

Please continue praying that the Lord would deepen relationships, establish people firmly in the gospel, and continue bringing new families, students, and skeptics into the life of the church. Our hearts are full and hopeful that God has used and will continue to use our efforts for His glory and kingdom.

Grace and Peace in His name!
